Statement of Compliance

This is to confirm that the Management System of **ALTER Technology Space Test Centre** located at the address:

Calle de la Majada, 3
28760 Tres Cantos
Madrid, Spain

is found in compliance with the requirements of **ECSS-Q-ST-20-07C** as tailored by **ESA-TECQQQ-TN-024614**, following an audit and associated assessments of the facilities listed below:

Thermal Vacuum Test Facility
Mechanical Shock Table
Vibration and Shock Test Facility
Electromagnetic Compatibility Test Facility

This Statement indicates the test facilities under compliance and applies for Small Satellites below 500kg.
This statement is valid until April 2024.

A handwritten signature in blue ink, appearing to read 'Britta Schade', written over a horizontal line.
